Case No. CIV-04-969-F

**DEFENDANT'S UNOPPOSED MOTION TO
CANCEL REFERRAL TO MEDIATION**

COMES NOW the defendant, G. Paul Kula, M.D., and pursuant to LCvR 16.3(d), moves the court to enter an order cancelling the referral of this case to mediation. In support of this motion, defendant states:

1. Pursuant to the agreement of the parties at the scheduling conference, this case was referred to mediation to be completed by January 10, 2005. Mediation with mediator, Earl D. Mills, is presently set for January 7, 2005.

2. This lawsuit involves allegations that the defendant, G. Paul Kula, M.D., negligently engaged in a romantic and sexual relationship with the plaintiff while she was seeking psychiatric treatment from him. Dr. Kula denies the plaintiff's allegations.

3. At the time of the alleged events, Dr. Kula was employed by Mercy Memorial Health Center, Inc., in Ardmore, Oklahoma. As an employed physician, he was an indemnitee of the Sisters of Mercy, St. Louis, Pooled Comprehensive Liability Program, which is a self-funded program designed to provide a mechanism to defend liability claims.

4. Mercy has now advised counsel for Dr. Kula that there is no coverage for the claims against Dr. Kula in this case under the terms of the Pooled Comprehensive Liability Program. As such, Mercy is unwilling to contribute any money towards settlement of plaintiff's claims against Dr. Kula. In addition, Dr. Kula does not have the financial resources to make any meaningful settlement offer to the plaintiff in this case.

5. Since there will be no money available to contribute towards a settlement in this case, the parties have agreed that mediation would be a waste of time and money and should therefore be cancelled.

6. Defendant's counsel is authorized to state that plaintiff's counsel has no objection to this motion.

WHEREFORE, defendant, G. Paul Kula, M.D., requests the court to enter an order authorizing the cancelling of the scheduled mediation in this case.
